cc-47

The City Council adopted Resolution No. 88-60 awarding the bid for the purchase of 20,000 feet of 600-volt #1/0 XLPE Triplex Cable to Reynolds Aluminum in the amount of \$17,384.00.

The City Council was advised that on April 19, 1988 bids were received as follows:

General Electric Supply Company	\$16,896.40
Reynolds Aluminum	17,384.00
Pirelli Cable Company	20,931.60

However, General Electric's proposal did not meet reel specification and price was subject to change. Reynolds Aluminum, the second lowest bidder, met specifications and guaranteed no escalation in the price.

The cable will be used throughout the City to serve developments currently planned for construction and to maintain an inventory for other needs as they develop. Some of the specific projects requiring this cable are as follows:

Apple Orchard
Sun West #9
Awani Estates
Mokelumne #2

Funding for this purchase is available in the Electric Utility Department's Operating Fund.
